I (Introduced), R (Reinforced), or M (Mastered).

\*\*PLO (Program Learning Outcomes)

### Annual Assessment Plan Findings

<b><i>PLO1: Understand the concept of globalization, its evolution and current importance, as well as evaluate and manage the impact of global dynamics in a variety of organizations and environments.</i></b>				
<i>Measure</i>	<i>Acceptable Target</i>	<i>Total Number of student records observed</i>	<i>Total number of students records meeting acceptable target</i>	<i>Assessment results: Percentage of student records meeting acceptable target</i>
Indirect Measure: Final Program Survey	70% or more of students completing the program will express satisfaction on the Final Program Survey by indicating either "Agree" or "Strongly Agree"	48	45	94%

<b><i>PLO2: Compare and contrast regional, national and international business environments, including legal, social and political considerations, acquiring general education knowledge and skills such as mathematics, humanities, natural sciences and communication.</i></b>				
<i>Measure</i>	<i>Acceptable Target</i>	<i>Total Number of student records observed</i>	<i>Total number of students records meeting acceptable target</i>	<i>Assessment results: Percentage of student records meeting acceptable target</i>
Indirect Measure: Final Program Survey	70% or more of students completing the program will express satisfaction on the Final Program Survey by indicating either "Agree" or "Strongly Agree"	48	42	88%

**PLO3: Examine the role of comparative advantage in business environments and the importance of organizational change.**

Measure	Acceptable Target	Total Number of student records observed	Total number of students records meeting acceptable target	Assessment results: Percentage of student records meeting acceptable target
Indirect Measure: Final Program Survey	70% or more of students completing the program will express satisfaction on the Final Program Survey by indicating either "Agree" or "Strongly Agree"	48	43	90%

**PLO4: Understand and evaluate proliferation of new information and telecommunication technologies and their importance for business and management in the New Economy.**

Measure	Acceptable Target	Total Number of student records observed	Total number of students records meeting acceptable target	Assessment results: Percentage of student records meeting acceptable target
Indirect Measure: Final Program Survey	70% or more of students completing the program will express satisfaction on the Final Program Survey by indicating either "Agree" or "Strongly Agree"	48	46	96%

***PLO5: Understand and apply the concept of international managerial leadership competence (IML), including the human, technology and knowledge (ETK) dimensions of organizations, to improve organizational performance and effectiveness.***

<i>Measure</i>	<i>Acceptable Target</i>	<i>Total Number of student records observed</i>	<i>Total number of students records meeting acceptable target</i>	<i>Assessment results: Percentage of student records meeting acceptable target</i>
Indirect Measure: Final Program Survey	70% or more of students completing the program will express satisfaction on the Final Program Survey by indicating either "Agree" or "Strongly Agree"	48	40	83%

***PLO6: Apply the systems approach and methodology to solve the increasingly complex problems of organizations with a global perspective, including determination of the appropriate business and managerial strategies and techniques such as distance activity and benchmarking, as well as telecommunications and information technologies to improve decision making within organizations.***

<i>Measure</i>	<i>Acceptable Target</i>	<i>Total Number of student records observed</i>	<i>Total number of students records meeting acceptable target</i>	<i>Assessment results: Percentage of student records meeting acceptable target</i>
Indirect Measure: Final Program Survey	70% or more of students completing the program will express satisfaction on the Final Program Survey by indicating either "Agree" or "Strongly Agree"	48	47	98%

**PLO7: Understand the key dimensions of global competitiveness, including client service, environmental responsibility, health management, managerial excellence and total quality, technology transfer and knowledge management among others.**

Measure	Acceptable Target	Total Number of student records observed	Total number of students records meeting acceptable target	Assessment results: Percentage of student records meeting acceptable target
Indirect Measure: Final Program Survey	70% or more of students completing the program will express satisfaction on the Final Program Survey by indicating either "Agree" or "Strongly Agree"	48	38	79%

**PLO8: Create and implement a strategic business plan with a global perspective.**

Measure	Acceptable Target	Total Number of student records observed	Total number of students records meeting acceptable target	Assessment results: Percentage of student records meeting acceptable target
Indirect Measure: Final Program Survey	70% or more of students completing the program will express satisfaction on the Final Program Survey by indicating either "Agree" or "Strongly Agree"	48	43	90%
