Upon written request, SDGKU will disclose to the alleged victim of any crime of violence or non-forcible sex offense, the result of any disciplinary hearing conducted by SDGKU against a student who is the alleged perpetrator of such crime or offense.

Each year, by October 1, SDGKU will compile and disseminate a crime statistics report to the Department of Education. The Campus Safety Coordinator obtains crime statistics from

surrounding areas of the SDGKU campus and requests data from the San Diego Police Department Central Division and will be disclosed in the annual crime report.

Newly enrolled students will receive all Consumer Disclosures, including Campus Safety and Security policies and statistics. New staff and faculty members will receive a copy of the policy during their New Hire Orientation.

Timely Warning

Students and employees are encouraged to accurately report all criminal acts, suspicious activities, or emergencies promptly to school personnel and appropriate law enforcement agencies when the victim of a crime elects not to or is unable to make such a report. Reports can be filed on a voluntary and confidential basis for inclusion in the annual disclosure of crime statistics by contacting Dr. Miguel Cardenas Jr. | mcardenasjr@sdgku.edu. They will issue a timely warning to the University community for Clery Act crimes against persons and property or dangers that occur on-campus or immediately adjacent to the campus. An assessment will determine based on the situation the need for campus notification. SDGKU will issue warnings through email, text message, and by phone.

Any suspicious person or activity in or around the campus should be reported immediately to one of the following authorities listed below. To report emergencies, call 911.

Report non-emergencies on the non-emergency line at or in person:
San Diego Police Department Central Division at (619) 744-9500

Dr. Miguel A. Cardenas Jr. – Chief Academic Officer/ Campus Safety Coordinator/Title IX Coordinator | (619) 934-0797

Emergency or dangerous situations involving an immediate threat to the health or safety of students or employees occurring on the campus will first be confirmed by the Campus Safety Coordinator. They will make an assessment of the situation and make a determination of whether the threat is credible. In either case, all students and employees are well informed they will be notified of the emergency regardless of its credibility.

Notification

Consistent with federally mandated procedures, SDGKU will immediately determine the content of a notification and notify the campus community when there is a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees, on campus.

If the above conditions apply, Dr. Miguel Cardenas Jr. or Tonya Parker-Jones will send any emergency notification. At times, the community members in the immediate area of the dangerous situation will receive notification first. Risk Reduction Information

In accordance with CFR 668.46, risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims to promote safety and to help individuals and communities address conditions that facilitate violence.

SDGKU has identified risk reductions as advice on staying safe. They are suggestions and practices designed to assist any person in creating a safer personal environment for themselves based on what they feel is individually necessary.

Know your resources. Know who to contact in cases of emergencies, cases of confidential reporting, and in response to incidents of sexual assault. Always resort to dialing 9-1-1 in the case of an emergency.

Be secure. Always lock your doors and secure your belongings.

Have a backup plan. What happens if you are out and your phone dies or you lose your wallet? A little bit of pre-planning will help you be prepared for many eventualities.

Protect your drink. While good for your own health, knowing what you are consuming prevents those who might tamper with your drink from doing so. Always keep your drink near you.
